DEDICATION

Can you find him??

He is a graduate of Ferndale High School. Eventually he became employed there — teaching social studies, coaching the wrestling team, advising the chess and dramatics clubs, and directing All School Plays. In the past four years his theatrical achievements at FAHS include: "You, Too, Can Be Charming", "Witch Hazel", "If Girls Could Ask for Dates as Boys Do", "For the Love of Mike", "The Three Gypsies", "Sinister House", and "Spider Island". He has always stayed behind the scenes, taking no praise or glory for his work. We the senior members of the REFLECTOR Staff feel that it's now time to give him the honor that he has long deserved.

The 1977 REFLECTOR is dedicated to a "dedicated teacher." He is Mr. Robery F. Boerstler.

OFFICERS: C. Flick, Pres.; J. Marcinko, V. Pres.; E. Bane, Sec.; G. Rick, Treas.

MARCHING BAND

Ferndale's marching Yellow Jackets provide a welcomed touch of pageantry to football games and local parades. Under the direction of Mr. Mish, these band members put in many hours of practicing that step with the beat. It all starts in August with band camp. Staying all those extra eighth periods to maintain quality production makes each band member dedicated and appreciated.

SPECIAL RECOGNITION

Every faculty member at Ferndale deserves to be recognized by the school yearbook at one time or another. One member, however, particularly stands out and deserves to be especially recognized. He is an excellent teacher, a conditioned athlete, and an outstanding coach. In his years at FAHS he has taught his students the benefits of every aspect of physical education. Through his superb coaching, he has taught many high school football players how to accept the downfalls of defeat as well as the glories of victory. He is truly a special teacher and deserves special recognition. He is Mr. George Marsh.

A TIME FOR US

A Time For Us — to anticipate, to enjoy, to remember. To anticipate while trying on gowns and tuxedos, ordering flowers and filling gas tanks. To enjoy while dining, dancing, and dreaming. To remember while looking back on fun years at F.A.H.S.

'76 AWARDS ASSEMBLY

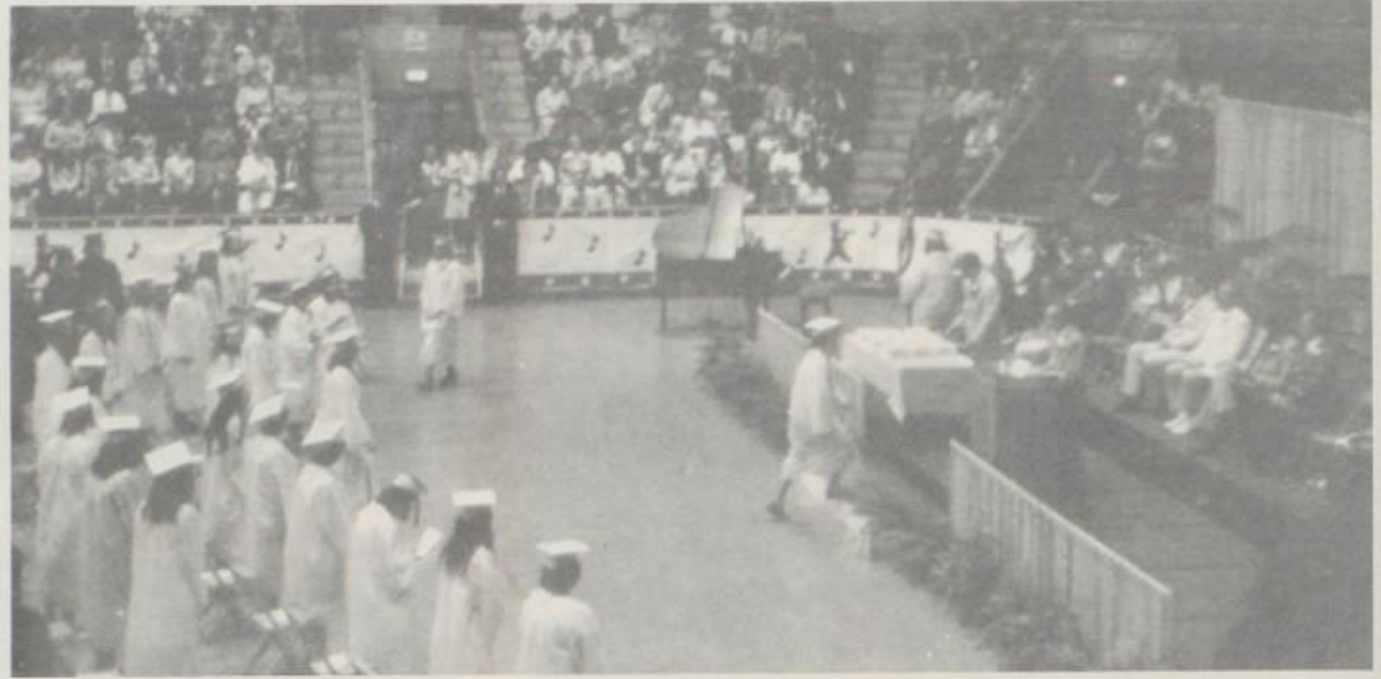

The Awards Assembly is an annual event which is presented to honor the seniors in the areas of academics, athletics, character, and service. There were many awards bestowed, and although the trophies come in many different shapes and sizes, they had one thing in common: each award went to a well-deserving student. We would like to congratulate everyone honored at the assembly, and say a special thank-you to all who participated but did not receive an award for their effort.

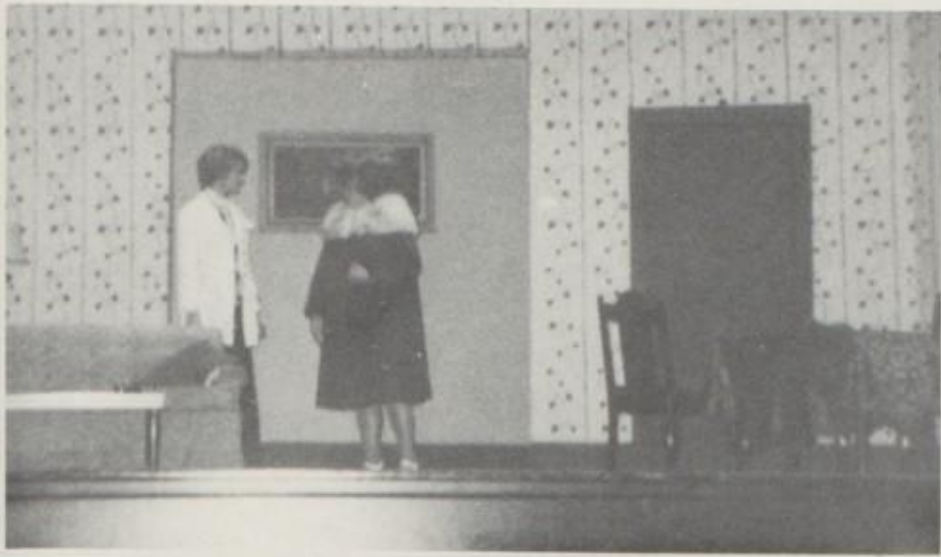

GRADUATION '76

Graduation is a happy time for the seniors and their proud parents. Every senior will have many fond memories of FAHS as he departs and begins a new life for himself.

ALL SCHOOL PLAY '76

Which one do I film, Senior High or Junior High?

I can't get in — it's

This past year at Ferndale High has been a unique one to say the least. It all began on Tuesday, September 7. At about 7:30 A.M., senior high students began filing in and scrambling around the large white building that they had known so well. It was a time for greeting old friends and even making new ones. The day seemed just like any other normal first day of school.

Who said there's no time

School's out! Now what do we do?

The Junior

for parties?

Then it came — 12 o'clock — the hour of change. The day had ended for the senior high, and the students were preparing to leave the building. When, suddenly through the auditorium doors came throngs of "little" students, ready to punch in for the day's second shift. It was their turn to learn. They were the district's junior high. At 4:30 P.M., the halls were empty, and the administration with a sigh of relief. It worked! It really worked! Every day after that until the end of the school year, grades 7 through 12 and their respective instructors learned to share their school and have fun doing it.

Congratulations administration and school board members — for successfully creating one of the most memorable years at FAHS.

SPORTS SCORES

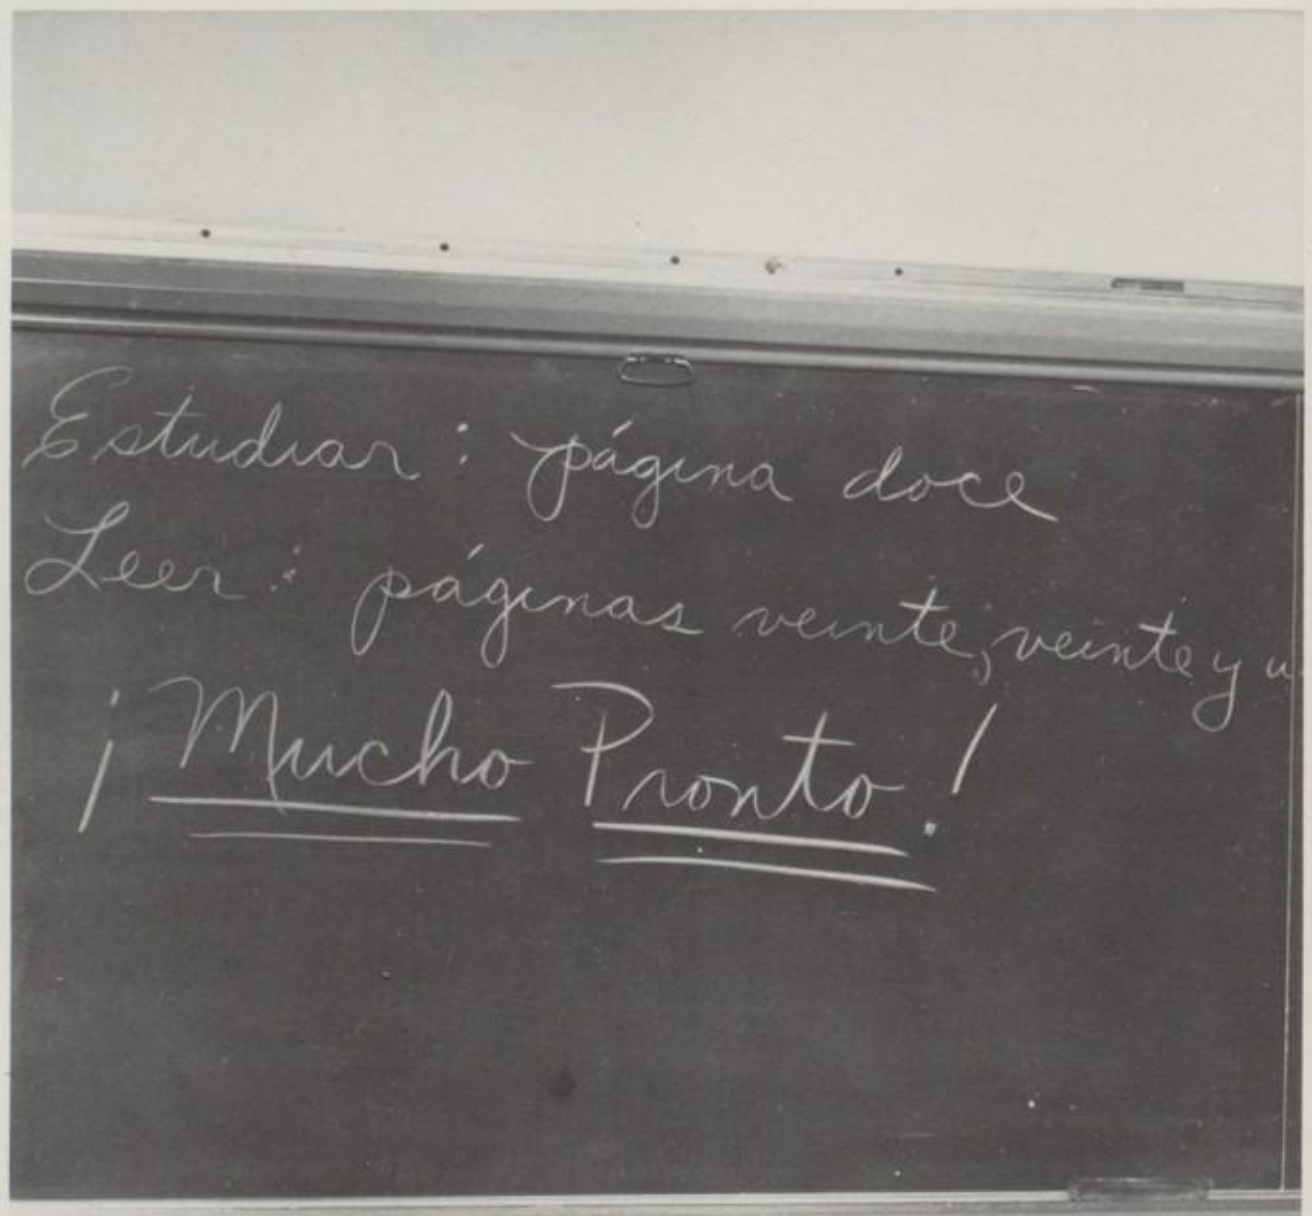

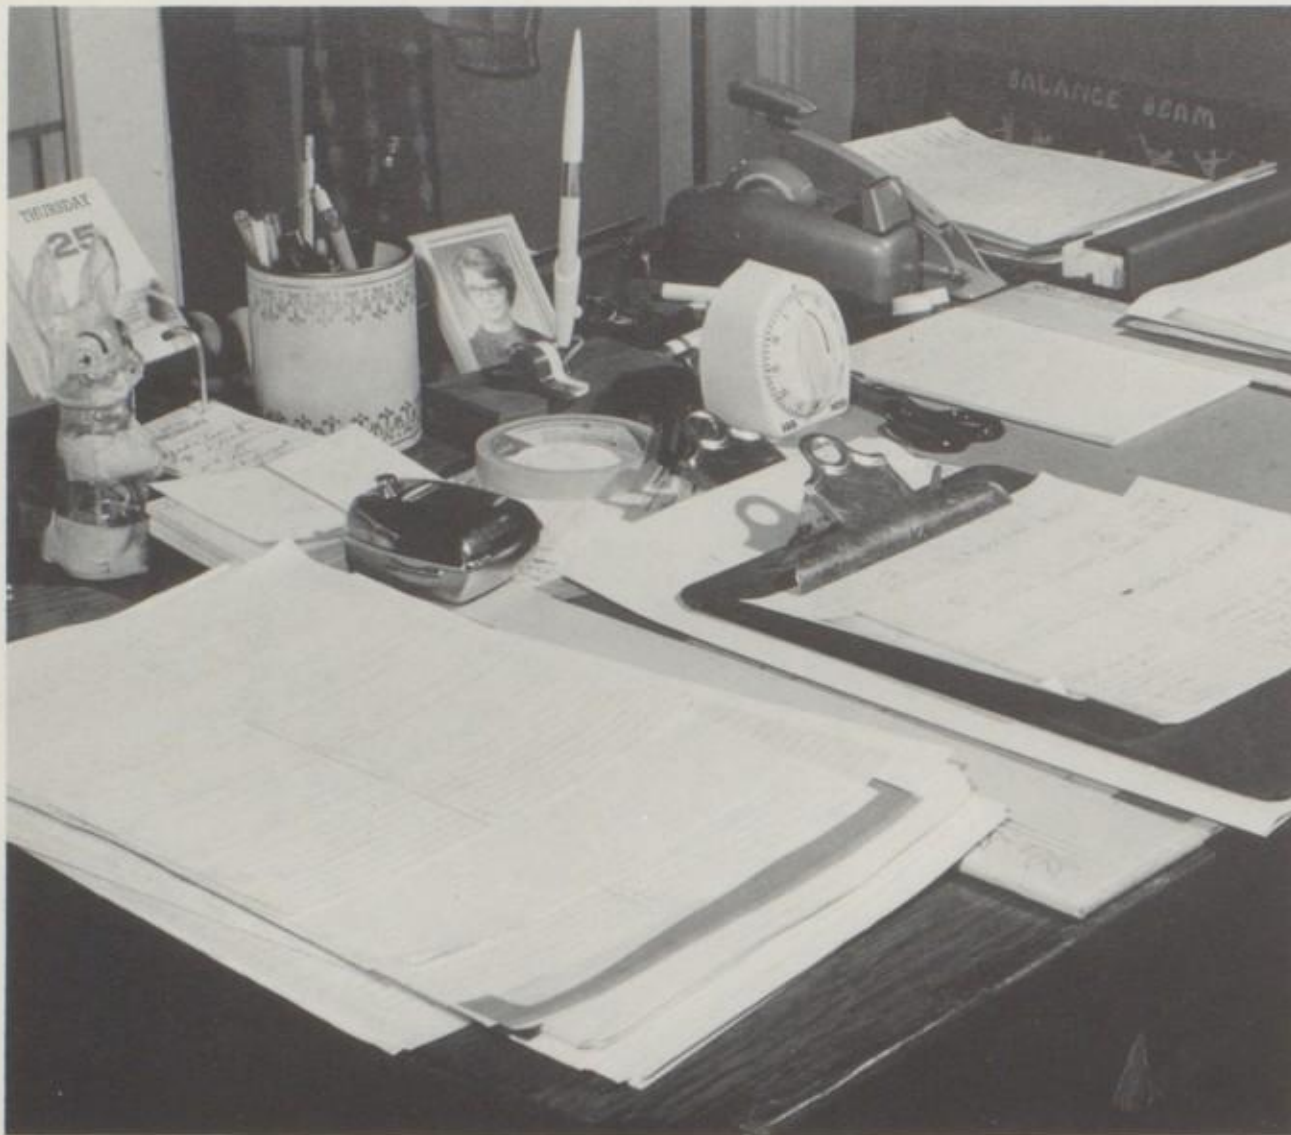

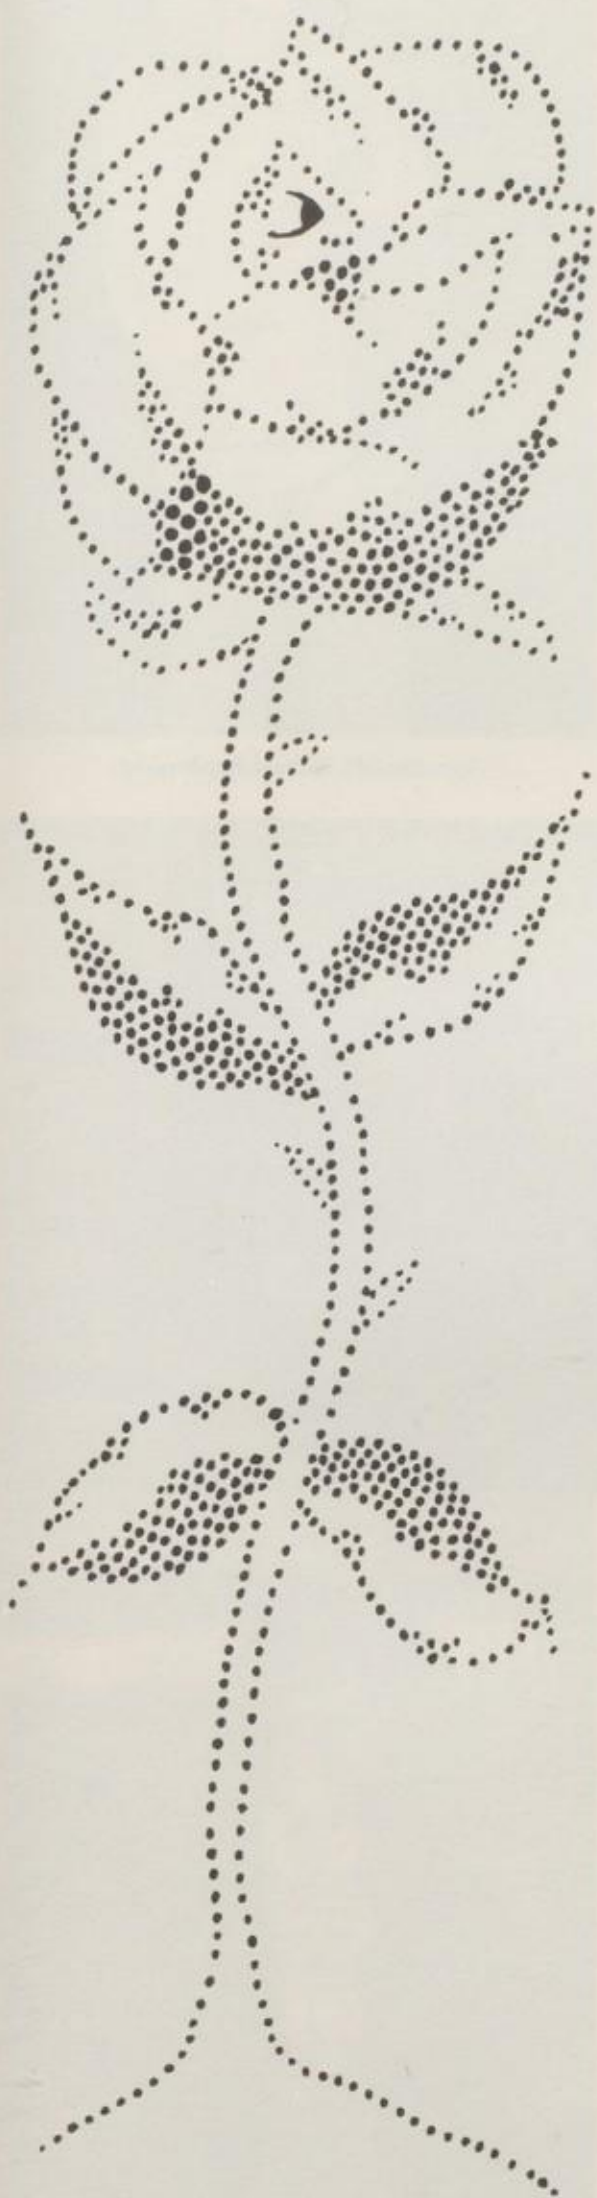

Athletics play an extra important role in the lives of many at Ferndale High School.

The results of these many important games, matches, meets and tournaments are not always remembered by exact scores. Yearly, the REFLECTOR staff provides score records for future reference needs.

The Winter of '77 brought many obstacles to public schools, including cancellations and postponements of many sport events. Therefore, it is with regret that we provide only a partial record of scores attained by our Jack-ets.
